'SEXY' BEVERAGES FOR SILK, BINTAN'S PARTY PLAYGROUND

In line with its 'sexy, slinky and sensuous' theme, a scrumptious drinks menu has been created to tantalize taste buds at Silk, Bintan Island's first island party club, which officially opens its doors at the end of September. It is located in the expansive, tropical grounds of Bintan Lagoon Resort.

Silk's extensive beverage list offers designer cocktails, sexy frozen beverages as well as sumptuous house creations and a generous selection of spirits from Grey Goose to Absolut. Cocktails include concoctions and variations on classics such as the suave martini and vintage champagne cocktail. Silk drink interpretations include originals such as v-dori (midori and vodka), padini martini (vodka, chili padi and pineapple), saketini (vodka, sake and a twist) and vanillatini (vanilla vodka, triple sec and lime) to name a few. "Shooters by the Shaker" at \$30 for six shots and a complimentary souvenir shaker are gastronomic creations with flavors and names like apple crumble, raspberry rattler, just peachy and silk stocking. Individual shooters include jelly bean (sambuca and cherry brandy) and pedas shot (grenadine, tequila and Tabasco).

The club's signature drink is "Silk Ice" –cocktails frozen and served in the form of popsicle on a stick – with flavors such as cosmopolitan (citrus vodka, cointreau, cranberry and lime juice), brave bull (kahlua, tequila and pineapple juice) and coco colada (crème de cacao brown, pineapple juice and coconut cream) priced at S\$10 each.

For those who dare, (and prefer to eat their alcohol rather than drink it), Silk offers alcohol infused jelly shots in flavors such as melon (midori, melon and lime juice); champagne (champagne and nata de coco), passionfruit (vodka, orange

juice and passion fruit) and baileys mint (baileys, crème de menthe white, grenadine and condensed milk).

In addition, the bar also stocks a selection of world beers, cognac, whiskey, sake and a broad wine list featuring over 60 labels from top vineyards in Australia, New Zealand, Italy, France, South Africa and the USA.

To quell hunger pangs, light snacks such as assorted pizzas, sushi, nachos, satays, soda bread burger and toasted ciabattas are also offered.
