

FOR IMMEDIATE RELEASE

JULY 2006

UNLIMITED GOLF @ \$129 AT BINTAN LAGOON RESORT

From now till 15 December, Bintan Lagoon Resort is offering an Unlimited Golf Package for golfers playing on the Ian Baker-Finch Woodlands course at \$129 per person.

Designed with the front nine holes snaking out from the resort and the back nine to the clubhouse, the Woodlands course has been laid over dramatically changing terrain. The main feature of this course is the large undulation of the natural landscape. The course was designed to incorporate the natural elements such as steep slopes and mounds to create an amphitheatre effect. Seasoned players will find this a challenging stimulus while the less experienced will find it flexible enough to suit their ability.

The par 72 Ian Baker-Finch Woodlands course measures 6203 meters with five different tee locations to suit golfers of all abilities. The course highlights include the signature 8th and 13th hole.

Valid from Monday to Thursday, the Unlimited Golf Package is exclusive only to the Ian Baker-Finch course with a minimum three players per flight and comprises the following:

- ferry tickets and transfers to/fro Bintan ferry
- green fees, buggy & caddy
- set lunch
- 10% discount at the Pro Shop
- 20% off food and beverage rates
- 30% off green fee for the following day (Monday- Thursday only)

The Unlimited Golf Package does not apply on eve of public holidays and public holidays.
